

Shropshire and Telford & Wrekin Virtual School Games

NEW AGE KURLING

Achieve the challenge: Complete the New Age Kurling challenge

HOW TO PLAY

Challenge 1: Hit The Jack

The jack is placed in the centre of the table. All lids are launched from the one end of the table by having the lid/coin hanging halfway off the table edge. With your hand give the lid/coin a swift shove to send it towards the jack. Just like in the game "Shove Ha'Penny". The aim of the individual challenge is to get your four lids as close as possible to the jack. When all four lids have been played you measure the distance between the jack and each lid individually and add the four distances together. The shorter the overall distance the better. What was your distance of all four lids together?

EQUIPMENT

4 marked milk carton lids or coins + 4 differently marked milk carton lids or coins.

All lids and coins should be the same size.

Smooth table surface or kitchen counter

A different coloured lid or coin for "jack"

Shropshire and Telford & Wrekin Virtual School Games

NEW AGE KURLING

SAFETY:

Ensure you have enough space
Be aware of your surroundings and remove anything breakable

CHANGE IT UP:

Play against one another rather than yourself (the challenge task must still be completed)
Use jam jar lids to make it slightly easier or coins to make it harder

KEY SKILLS:

Accuracy—Concentration—Technique—
Precision—Determination

SPIRIT OF THE GAMES:

During the #NAKChallenge we hope to see the following School Games Values on show

Challenge	Score
Distances	
Total Distance of 4 lids
