OUR CURRICULUM

Our curriculum is designed to support and engage all learners in Class 4. In Class 4, we are keen for our children to develop a love of learning! We strive to ensure that all of our children aim to be the best that they can be. Our curriculum has been designed to cover all of the skills, knowledge and understanding as set out in the National Curriculum. We then enhance the National Curriculum by ensuring that it relates to our locality and the heritage of our pupils. In addition, we enrich learning through providing opportunities, visits, visitors and experiences that build real-life learning.
