Governor Allowances

**Revised: Spring Term 2022
Consultation with Staff & Governors
and adoption of policy: Spring Term 2022
Review Date: Spring Term 2023**

1. Introduction

This policy has been developed in accordance with the Education (Governors' Allowances) Regulations 2003. These regulations give Governing Bodies the discretion to pay allowances from the school's annual budget allocation to governors for certain allowances which they incur in carrying out their duties. Tibberton & St Lawrence C.E Primary School Governing Body believes that paying governors' expenses is important in ensuring equality of opportunity to serve as governors and so is an appropriate use of school funds.

2. Allowable Claims

From August 2015 governors are entitled to claim the actual costs which they incur as follows:-

- Governors can claim allowances incurred in carrying out their duties as a governor or representative of the school and are agreed by the School Management Committee that they are justified before and reimbursable costs are incurred

3. Examples of Allowable Claims

Governors **will** be able to claim for the following, on a case by case basis and with the prior approval of the Governing Body.

- Childcare or babysitting allowances (excluding payments to a current/former spouse or partner);
- Costs of care arrangements for an elderly or dependent relative (excluding payments to a current/former spouse or partner);
- The extra costs incurred in performing duties because the governor has special needs or because English is not their first language;
- The cost of travelling to meetings/training courses which does not exceed the specified rates for school personnel;
- Travel and subsistence costs, payable at the current rates specified, associated with attending national meetings or training events unless these costs can be claimed from the Local Authority or another source;
- Telephone charges, photocopying, stationery, postage etc;
- Any other justifiable expenses.

4. Examples of None Allowable Claims

Governors may **not** be paid an attendance allowance or reimbursed for loss of earnings.

5. Submitting Claims

Governors wishing to make claims under these arrangements, once prior approval has been sought, should complete a claims form, attaching receipts where possible, and return it to the school within two weeks of the date when the expenses were incurred, when they will be submitted for approval to the Finance Committee.

Claims will be subject to independent audit and may be investigated by the Chair of Governors or Chair of Finance if they appear excessive or inconsistent with this policy.

This policy will be reviewed annually.
