St Lawrence CE Primary School Federation

School Travel Plan

Revised: January 2020

Consultation with staff and Governors

and adoption of policy: Spring Term 2020

Review date: Spring Term 2023

In 2005 the school established a 'School Travel Plan' with the express intention of improving the safety of the pupils on their way to and from school, and to encourage as many pupils and parents as possible to walk at least some of the route to school.

'Walk & Stride'

Cars should park outside the Village Hall or along the road through Tibberton; parents and children then follow the blue dinosaur footprints along the lane between the houses, across the crossing in Maslan Crescent and along the footpath to school.

Safe School Zone

In discussion with other parents and local residents, the whole of Maslan Crescent has been designated a safe school zone. Residents' parking bays have been relined to establish clear parking spaces and parents may use these if this is only for a short time at the start and end of the school day. Please do not remain in these spaces for an extended period of time, as they belong to the residents.

If there is nowhere else, you may park briefly in Maslan Crescent, but please do not obstruct residents' drives or park too close to the school crossing as this reduces visibility.

There is no parking in the short approach road to the school car park, and the school car park itself is out of bounds, as pupils are particularly vulnerable in these areas.

Please see the Headteacher to request the use of a parking space for a disabled child or any other significant reason.

A voluntary one-way system operates successfully around Maslan Crescent at the start and end of the school day – in at the Sutherland Arms end and out at the red phone box end.
