Home Learning Ideas

Theme: Postal Service

Week Beginning: 30.1.23

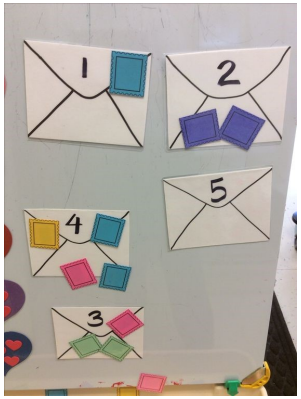
Write a letter to a friend or family member, buy a stamp and post it through a letter box. Discuss the process of where the letter goes and how it gets there.

Go on a family walk, each holding a stick. When you see something interesting, push it onto your stick to make a story stick. Talk about this "first we saw___, then we saw___"

Challenge: Draw or write the story.

Go outside and experience the weather. We are exploring wind this week. Make a kite with your family and run as fast as you can to fly it. How can you make it even better?

Challenge: Design before you make.



Write numbers on envelopes or parcels and children to place that number of objects inside. Prompt questions such as how do you know that is 5? "Because there are 2 red ones and 3 yellow ones".

Challenge: Write this as a number sentence.
