

# HOME LEARNING

Your home learning for the week will be loaded onto Seesaw on a Monday and we would like all your activities uploaded to your journal on Seesaw by 5pm the following Friday.

You will have 3 activities to complete during the week. You can do them **in any order, on any day** that you like, but make sure you upload them onto Seesaw by Friday.

## Activity 1

Complete your spelling practice sheet each day. Simply upload a photograph of your completed sheet at the end of the week.

## Activity 2

Collect at least 5 more words that are the same as your pattern for the week. You may have a couple of 'surprise' words in your spelling test on a Friday.

## Activity 3

Write 8 to 10 sentences that each contain one of your spelling words. Please try and start these sentences in different ways, and make sure the sentences show that you understand the meaning of the word and that the word is spelt correctly. Try to write using the four different types of sentences too. For example, statements, questions, commands and exclamation sentences (remember these start with How or What and are not a question). Also remember to use the appropriate punctuation (CL . ? !).

Any activities that are not completed will need to be completed during a Monday playtime or during reward time.
