Home Learning Ideas

Theme: Dentists

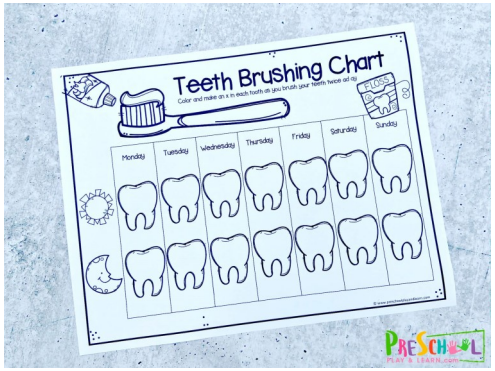
Week Beginning: 6.2.23

Write a note to the tooth fairy explaining how well you have looked after your teeth. Remember to use your beautiful handwriting too!

We have been learning about the first ever flight in our history lessons. Practise asking questions to your grown-ups about any aeroplane trip they have been on. Perhaps share some photos!

Try a new healthy food or help your grown-ups in the kitchen to make a healthy snack or meal. Remember to always follow their instructions to stay safe!

Challenge: How do you know that it is healthy or unhealthy?



Make a tooth brushing chart and tick off every time you brush your teeth. How many times do you brush your teeth at the weekend? How many times to you brush your teeth in a week?

Challenge: Count in 2s to find out how many times.
