Tell your grown-ups about the story. Draw the different parts of the story including characters, settings and props and retell the story.

Notice the plants, flowers and trees when you go on a walk. Do you know the names of any of these? What do you notice that is different to Christmas time?

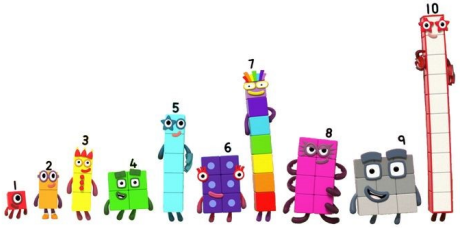
Book Inspiration:

The Snail and the Whale

Week Beginning: 6.3.23



Draw a spiral inspired by a snail shell. How big can you make the spiral? Perhaps use water and a paintbrush outside or make a spiral in the snow later in the week.

We will be exploring 'more' and 'less' in maths this week. Can you draw the NumberBlocks and write the numbers that are more than 6? What numbers are less than 4?

Challenge: How many possibilities do you know of numbers that can be less than 12?
