Write down as many sea creatures as you can think of and draw a picture to match.

Challenge: Find out some facts about some of the sea creatures.

Create an 'Ocean in a Bottle' using a water bottle and some extra bits and bobs to go inside. How does looking at this make you feel?

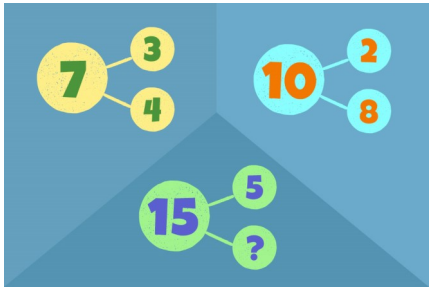
Book Inspiration:

Commotion in the Ocean

Week Beginning: 13.3.23



Play a memory game.

Player 1: "I went under the sea and I saw a stingray".

Player 2: "I went under the sea and I saw a stingray and a shark".

Practise number bonds to 5 in Reception and number bonds to 10 or even 20 in Year 1. Ask your grown-up to give you a number such as 3 and you call back the other number "2" if making 5.
