Book Inspiration:

What the Ladybird Heard

Week Beginning: 17.4.23

Explore the countryside and observe some farm animals. Take some photographs and listen to the noises they make.

Make up a song involving the sounds that animals make. Can you find an instrument that makes similar noises to farm animals?

Don't forget to share your creations on SeeSaw!

Draw some farm animals and cut them out. Sort them into different groups (beak and no beak, 2 legs and 4 legs).

Challenge: Write number sentences for the two groups (2 + 3 = 5).

Create a collage using a variety of materials of a farm animal. What different textures can you find? How do they feel?
