## School News

### Executive Head's Message

Dear Parents and Carers,

The beautiful sounds of singing have accompanied much of my work this week as the children at both schools are practicing for end of year performances. They sound wonderful, and I am sure you will all enjoy what they are preparing to share with you (remember your tissues!).

A brief reminder to please be polite when you are contacting school regarding a concern or question you may have. The vast majority of parents are very considerate, but some staff have felt uneasy recently following conversations with parents. We are here to help and will always do our best to deal with your situation. The staff have also been given the same message about speaking to any of you; it is important to us that we have positive relationships with all of our parent community.

In highlights this week- pupils from Tibberton have been to test out their model Viking boats on the river, and St Lawrence pupils have been out to Crucial Crew. It is always great to see the children embracing opportunities to enhance their learning and we look forward to including many such opportunities in the curriculum next year, as well as more occasions for you to come into school to share in your children's learning and get to know the staff.

Thank you to those of you who have supported your children in completing the pupil voice surveys we sent home- it is important to us to find out what the children enjoy about their learning and time in school, and where we can continue to improve. I will write on Monday with some feedback from the surveys.

Tibberton summer fair takes place today (Friday 7<sup>th</sup> July) and I am sure it will be a great success. Once again, thank you to the PTA and other parent helpers who work so hard to make events like this happen.

Wishing you a happy weekend,

*Mrs. R. Nash*

## Head of School's Message

Dear parents & carers,

This week the children of Class 4 and 5 went on a short walk around our local vicinity to launch our Viking longboats on to the River Meese. Some designs sunk, some capsized and a few caught the wind and carried upstream, but most creations successfully navigated a short water course near Cherrington. It was great to hear their views on what made their designs work and how the Vikings would have coped without motors or engines.

Just some housekeeping to consider. The school is currently owed nearly £400 from unpaid dinner monies and educational visits. These outstanding debts cannot be subsidised and I would particularly ask parents of Year Six children to clear these as soon as possible. Mrs Naughton does do a great job of assisting parents with keeping parents informed about these monies that are owed and we would appreciate your support too.

I hope that we see many of you at the PTA summer fair later today. It's a wonderful community event that helps to raise funds that have consistently improved the learning offer for so many of our children.

We also have a display in the Education Marquee at the Newport Show that is staged tomorrow. Congratulations to Alene, Freddie and Isaac who all won in the photography competition and will be recognised there in the morning along with the Potato growing competition.

You may also remember that last year the school won the competition at one of the stands and all children received a snackpot. If you are visiting, be sure to enter the competition again.

School have taken the decision to stop holding uniform to free up some additional space and this will be initially sold by our uniform manufacturers, Baker and Sons in Wellington. We will continue to sell through on our current stock so do put an order in via Parentmail or see Mrs Naughton in the school office if you need anything for September.

Have a great weekend,

Mr C. Battrick
