Executive Head's Message

Dear Parents

We have reached the end of the first half term of this school year, and what a lot of different experiences the children have taken part in! There has been some amazing in-class learning, for example astronaut camp, and also some great extra experiences such as the Black History workshop, Greek Day, Wonderland and of course the Harvest festivals. I would also like to thank the PTA for their help with refreshments at St Lawrence church, and the Bingo and film nights at Tibberton; we are really grateful for the support of our parents.

When we return in November, it will be another busy half term as we move towards Christmas! Please remember to check the websites and newsletters, as well as class Seesaw messages, for special events that will be taking place in the coming weeks; we are looking forward to sharing lots of good news stories with you.

Wishing you a happy and safe half term,

Mrs. R. Nash

We are pleased to announce that we have partnered with Paul Gerrie of Amazing ICT to create three videos for parents about online safety. The first of these is now available via this link https://tinyurl.com/ParentOnlineSafetyTibLaw or from the QR code below. As you will be aware, the online world moves quickly, and so we hope to help you keep on top of the new apps and language children are using, thereby helping you to keep your children safe online.

If you have any questions or concerns after watching these videos, please get in touch.

☆ Superstars of the Week ☆

Class 1 William – for brilliant blending. Keep up the good work!

Class 2 Rosie T- for being a brilliant role model to all her peers. Helpful to everyone and a general superstar!

Class 3 Thomas H - for excellent history research on Skara Brae

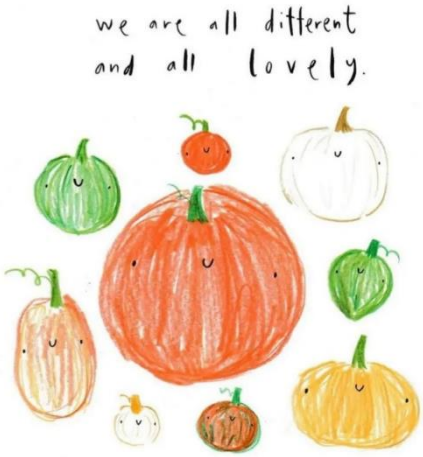
Class 4 Kaylin - For being a role model in our class, always completing her homework and reading at home! She is always ready to learn. Well done.

Class 5 Jared - for his persistence with long multiplication

SEND Talk

'it was nice to meet other SEND parents'

This week we held our first SEND Coffee Morning and it was great to meet parents and to chat with SENDIASS and the



Telford Children's Autism Hub who kindly came to visit our lovely school.

We had a productive morning discussing what services are available in the local area including support from SENDIASS and the Autism Hub. Parents left the meeting with knowledge and understanding of what is available to them and how they can access these services.

Moving forward, we are planning a second Coffee Morning later in Autumn 2 term, where we will invite parents into school to meet the SENDIASS team again to run a workshop on the Graduated Approach and how class teachers' access, plan, do and review the children's IPMs. The aim of this workshop is to help parents to understand what this looks like as well as a chance to see some of the interventions that we offer.

It would be lovely to welcome more parents to the next meeting, you are more than welcome. These meetings are designed to be a friendly, informal, informative space where we can share and explore ideas and ways to help each other to help our children.

We have a range of leaflets and flyers left by SENDIASS and The Childrens Autism Hub and these can be found in reception.

Best Wishes

Mrs Osborne

A call to meet the King!

Buckingham Palace reached out to Miss Osterfield, our long-serving previous Headteacher, to invite her to join them at the palace for her work with hosting teachers from Kenya during her time here at Tibberton Primary. Here's what Miss Osterfield told us about her marvellous day.

"I received an invitation to Buckingham Palace, and I have visited there today. It was all to do with 60 years since Kenyan independence. I met lots of interesting people, drank champagne in the state rooms and also met the King; he shook my hand. It was just wonderful! "
