School News

Heads' Message

Dear Parents

Welcome back to school after the Easter break, we are looking forward to sharing many wonderful experiences with you this term, and hopefully some sunshine too.

The children have come back sensibly, happily and ready to learn; thank you for the work that continued over the break in reading and practising times tables, these things really do benefit the children in school.

I would like to say a big thank you to the PTA at Tibberton school who came in during Easter to help Mrs Taylor improve the outdoor area outside Class 2. The children have already been benefitting from this, and are loving their extended learning space.

I would also like to say thank you to Mrs Hughes, Ethan's mum, for the plants she kindly donated at St Lawrence; these are now in the quiet garden and helping make that area softer and more inviting. Thanks as well to Mr and Mrs Bagnall who made a donation of stationery to school- this is always very gratefully received by the staff, and pupils.

This half term sees parent consultations, field trips, sporting competitions and preparation for standardised testing. Please continue to support your children at home, and to communicate with us if you have any questions or comments- this is valued in our journey to make things continually improve and evolve at both schools.

Wishing you a wonderful weekend, and hoping for some fine weather.

Mrs. R. Nash & Mr Battrick

Attendance Award

This week's attendance award goes to **Class 4** with an attendance total of 99.2 %

Total School Attendance 96.5%

In Brief

Outside Class 2, taking shape

Thank you to all those who helped Mrs Taylor with the outside area for class 2.

NEWPORT SHROPSHIRE CYCLING CLUB

CYCLE COACHING FOR KIDS

Skips Safety Net

Keeping children safe online

A Parent's Guide to Safety and Privacy Settings

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

When you give a child access to the Internet, you give them access to the adult world.

The Internet treats everyone as adults and there are many things, they are not yet ready to know, which is why it is vital that some form of safety settings are in place. Doing something is better than doing nothing.

What happens online has and effect to what happens offline and what happens offline has an effect to what happens online.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
