OUR CURRICULUM

Our curriculum is designed to support and engage all learners in Class 4. In Class 4, we are keen for our children to develop a love of learning! We strive to ensure that all of our children aim to be the best that they can be. Our curriculum has been designed to cover all of the skills, knowledge and understanding as set out in the National Curriculum. We then enhance the National Curriculum by ensuring that it relates to our locality and the heritage of our pupils. In addition, we enrich learning through providing opportunities, visits, visitors and experiences that build real-life learning.

READING

'The best readers are the children who read at home every day!'

HOME LEARNING - Children will bring home their Reading Journal books to record reading experiences. Please could they bring these and their reading books to school every day. Once the children have read through their home reading books once, they are able to change it for another. The reading for pleasure books are a shared book, the children are not expected to read them independently.
