Heads' Message

Dear Parents & Carers,

What a lovely week we have had at both schools. The children are getting ready to share Christmas celebrations with you, and they are sounding beautiful when rehearsing their songs. There has been much excitement from children with elves at home, and they have been enjoying telling us about cheeky goings-on! As Jacob reminded us this week in school – "It's so exciting. It's only 20 days to Jesus' birthday!".

It has been a quiet week overall. We have had some external visitors including the Co-Chair of governors, Mrs Sands, who have all been very complimentary of the schools and the children especially. As always, we feel so proud of the children and all of their achievements.

Special thanks to parents who have responded to our appeal around the hanging baskets at school – some of you may have seen them arrive and be placed outside the main reception. Your donations are really appreciated and the violas and heathers are benefiting from the rain that has hammered down of late!

We do hope to get the playground marking finished soon – again weather has been against us – but we do also have a new low-level climbing wall that has been installed.

As we head into the last two weeks of this term, we look forward to seeing you to share a celebration of Christmas.

Wishing you a peaceful and happy weekend,

Mrs Nash and Mr Battrick

Even better news was that Tibberton Team 2 managed to secure 3rd place and bronze medal. A big well done to Sam, Sachin and Theo and a big well done to everyone that took part.

The whole school pantomime this year is at the Telford International Centre to watch Goldilocks and the three bears. We will be going Thursday 19th December, this is now on ParentMail, can all payments be made by 16th December at the latest.

Christingle Thanks

We would like to say a huge thank you to the village shop who have donated the oranges for the Christingle.

All children will be making the Christingles at school next week and will take them across to the Church morning of the 12th December where they will be placed round the church with some fabulous displays.

You are welcome to collect your child's Christingle on the 12th December later in the day from All Saints Church. On collection each child will receive a goody bay.

Your child should have come home with either a donation box or envelope. Could all donations be returned to school by 13TH December, all proceeds are going to The Children's Society.
